Day 2 – Start at 10:00 a.m.

MEET INFORMATION

All state meets will use International Starts and Stagers

**STATE TRACK MEETS
INSTRUCTIONS AND MECHANICS FOR REGISTRATION**

Conference/district meet directors will advance electronically to the state meet director or designated recipient those qualifiers whose performance has earned them the opportunity to participate in the state meet. Additional qualifiers by the qualifying standards must be reported to the AAA office on the appropriate form.

Coaches: The coach must enter any athlete from his/her school who has met the qualifying standard in a certified meet in order to use that performance to enter the state meet. The proper form must be faxed to the AAA office within 48 hours following the conference meet. The required form was in the school's rules book packet and is available at www.ahsaa.org ... Sports ... Track and Field. If this is not done, the athlete will not be allowed to compete in that event.

There shall be a maximum of one additional heat in each running event to accommodate athletes certified through qualifying performances. Additional field event entries shall be limited to eight.

If conference/district data is not advanced to the state meet, qualified athletes shall be allowed to participate but may be placed in available heats and lanes.

Each school's head coach must meet with the Referee at the designated time and place. Coaches must confirm that all athletes are legally attired and equipped by signing the compliance verification form prior to the athletes competing. The coach must assume the following responsibilities for the school's athlete(s) to be allowed to participate.

Shot: Must be weighed and approved by the Head Field Judge or Inspector of Implements prior to the first warm-up throw.

Discus: Must be weighed, measured and approved by the Head Field Judge or Inspector of Implements prior to the first warm-up throw.

Pole Vault: Coaches shall initial the event sheet to verify each vaulter's weight and that a legal pole has been provided and will be used throughout the competition. **Note:** There will be scales available to verify a vaulter's weight, if challenged. The judge shall verify the legality of the pole at the event. Only legal poles, approved in advance of use, may be used in warm-up and/or competition.

Participating athletes must be at the site of the event at the start of the event, in a proper uniform and legally equipped.

**MAXIMUM SPIKE LENGTH and TYPE REQUIRED
For STATE MEETS and MEET OF CHAMPS:
1/4" PYRAMID SPIKES**

**MEET OF CHAMPS
Wednesday, May 24, 2006
Hot Springs High School**

3:00 p.m. – Field Events * 5:15 p.m. Running Events

The winner of each event at the five state meets, including first place ties, and the next best performances statewide shall qualify to the Meet of Champs. There shall be a maximum of eight athletes per event, regardless of classification.

IMPORTANT! The list of qualified athletes will be available on the AAA web site by Monday following the state meets.

Coaches of eligible athletes must notify the AAA office on Monday following the state meet whether a qualified athlete WILL or WILL NOT participate. E-mail kathy@ahsaa.k12.ar.us.
